It is very important to us that your child is happy at Richmond Hill

At Richmond Hill Primary Academy we provide the secure, homely and loving environment that is so essential in meeting the needs of each child. Ensuring that their well-being is our paramount concern as we settle your child into their new learning environment.

United in Learning Together

In Early Years we combine flexibility with a structure where each child is an individual and their individual needs are highly respected. Self-worth, self-esteem, self-confidence and independence are developed.
