

Hillbillies offers excellent quality childcare in a happy, fun filled environment by friendly, experienced staff on-site at Richmond Hill Primary Academy. We believe that play is an essential part of every child's learning. Our aim is to support your child whilst they play freely, experience new things and follow their own interests. Our club has its own space which is well equipped for both, indoor and outdoor play activities with a wonderful range of resources.

A healthy breakfast and balanced light refreshments are provided.

Hillbillies

Wrap around childcare

Based at Richmond Hill Primary Academy

As Ofsted registered, Hillbillies follows the EYFS Safeguarding and Welfare requirements.

The aim of Hillbillies is to follow the play work framework principles to promote child-led play opportunities for all children who attend our provision. These principles help us to ensure we are providing the best possible opportunities to meet every individual child's play needs, make friends and have fun whilst learning about the environment and world around them.
