

Shared Policies and Procedures

Dear parent/carer

We continue to work very closely as a local group of schools to generate shared policies and procedures to support your children's welfare.

As part of this work we have shared expectations of attendance, social media conduct and the Parent Code of Conduct policy.

Please find attached the following:

- Pyramid Attendance and Punctuality Policy and Procedures
- Social Media Communication
- Parent Code of Conduct policy

These policies have been adopted by all of our schools across the pyramid.

Thank you in anticipation for your support.
